U.S. Embassy Jerusalem
Agron Street 18
Jerusalem 9419003
Israel

Dear Ambassador Huckabee,

On behalf of American Christian Leaders for Israel (ACLI), a growing network of over 3,000 Christian leaders representing tens of millions of American Christians, we extend our heartfelt congratulations on your recent appointment as the U.S. Ambassador to Israel by President Donald Trump.

Ambassador Huckabee, your longstanding support for Israel stands as a testament to your deep faith and biblical understanding. Throughout your career in public service, your unwavering commitment to the Jewish state, grounded in your Christian beliefs, has been exemplary. Your recognition of Israel's biblical and historical significance resonates with millions of American Christians who share your perspective. As you undertake this crucial role, we are certain that your faith-inspired dedication to Israel will further strengthen the bonds between our nations.

As you embark on this new and important path, please know that you have the full confidence and support of the ACLI network. We are excited to witness how your dedication and expertise will positively shape the relationship between the United States and Israel in the years to come.

Wishing you the very best in your new role,
